

Change of owner C3B

Animal welfare organisation or council pounds

About this form

Please use this form to change official ownership of a pet into the new owner's name if you are a council pound or a rehoming organisation approved under Section 88B of the *Companion Animals Act 1998*. You must submit this form to council together with the adoption contract and a desexing certificate or other confirmation of desexing.

Pet owners must be over 18 years of age to legally own a cat or dog in NSW.

Please fill out this form in black ink and in BLOCK LETTERS.

Information for approved rehoming organisations and council pounds

The organisation re-homing the animal is responsible for notifying change of ownership. Submit this form to council within 3 days of the ownership change, or record it on the Companion Animals Register (CAR) within 7 days if you are an approved user.

You must give a copy of this form and other documentation to the new owner.

Information for councils

When you process change of ownership from an approved rehoming organisation, you can also register the pet on behalf of the new owner (desexed animals adopted from a council pound, shelter or approved rehoming organisation are eligible for free registration). Once completed, please forward a Certificate of Registration to the new owner.

Information for owners

When you adopt a cat or dog through council pounds and approved rehoming organisations, they will send all relevant documents to council for processing. Councils can then register the animal in your name and send you a Certificate of Registration. Desexed animals adopted from these organisations are eligible for free registration.

If you do not hear from your local council within 14 days, contact the approved rehoming organisation to ensure all documentation has been sent, then contact your council. You may need to go through your council to register your pet and provide documentation including:

- a completed Pet registration (R2) form
- a copy of this Change of owner (C3B) form
- a desexing certificate or confirmation of desexing
- the adoption contract.
